

English Learning Journey Spring 1: Year 9 Gothic Poetry

During the next six weeks, we will explore and compare a range of Gothic poems. We will look closely at the context of each poem and analyse the poets' use of language, form and structure. We will then use this knowledge and understanding to compare the ideas and messages of the poems.

You will be focusing on the following literature assessment objectives:

- AO1 Identify and interpret explicit and implicit information and ideas.
- AO2 Explain, comment on and analyse how writers use language and structure to achieve effects and influence readers, using relevant subject terminology to support their views.
