## LEARNING JOURNEY

*Ad Astra*

### We will be learning about...

During this half term, we are going to develop our knowledge and skills in both GCSE English Language and English Literature. We are going to specifically focus on English Language Paper 1 where we will read some short stories and revise how to analyse the writer's methods and evaluate the success of them; we will also develop our skills in creating our own short stories. We will then focus on English Literature where we will complete a mock looking at An Inspector Calls as far as we have read. For some, there will be an opportunity to prepare and complete spoken language assessments for those without work experience placements. Finally, we will return to An Inspector Calls and complete our study of the play.
