Joining an extra-curricular club such as: Keyboard club or Ukulele club. ☐		Attending a recital or music concert. ☐		Watching a live performance of a musician. ☐		Listening to a composer. ☐		Perform in a show or assembly. ☐	
								Learning a new instrument through the Instrumental lesson scheme. ☐	

Year 8 Music Rotations- All That Jazz

Enrichment Opportunities:

During your child's time at Lode Heath School, your child will have the opportunities to work individually, in small or large groups and as part of a whole class during musical performances.

Your child will also have the option to take up a musical instrument of their choice. We currently have a wide range of visiting music teachers from the Solihull Music Service.

For more details please visit: [Solihull Music Service | solihull.gov.uk](https://solihull.gov.uk/solihull-music-service)

Homework guidance:

Students will receive 1 fortnightly homework activity. These will be a combination of retrieval, knowledge, and research tasks. Failure to complete a homework task will result in a 25-minute detention.

How can you help?

Please support your child with their musical education by encouraging them to listen to a wide repertoire of music and by encouraging them to attend extra-curricular clubs within school and outside school through the Solihull Music Centre. If your child plays an instrument, please encourage your child to practise regularly.

Your child will be required to name a musical instrument performing. If your child does not play a musical instrument in a band or an orchestra this is extremely difficult. The best way to learn is to go to www.dsokids.com and here you can listen to all of the different orchestral instruments and learn what they sound like.
