The homework will usually be to learn key vocabulary or complete listening and reading tasks on www.languageut.com. If there are upcoming assessments, revision homework may be set.

In cases where homework has not been completed, MFL teachers may grant a day extension. If the homework is still not completed following this extension, this will result in a 25 minute after school detention.

How can you help?

Encourage your child to download the Duolingo app which supports Spanish language learning. Student can also use the platform on which their homework is set to learn extra vocabulary. Other useful websites include www.quizlet.com and www.linguascope.com.
